

Meeting Agenda, group 7

Date: 23/3-2017

Chair: Jack Ahlkvist

Participants: Alexandra Garrido Jaque, Aron Sandstedt, Svante Bennhage

1. Objectives

There has been no issues what so ever in the beginning of this project. However we have to keep thinking about new functionality to FabNotes.

2. Reports

-

3. Discussion items (35 min)

Think about more functionality to FabNotes.

4. Outcomes and assignments (5 min)

In the coming week we keep working together towards creating UML and Usecase-UML.

Jack, Alexandra and Svante needs some Linux version, for example Ubuntu on their computers because Windows doesn't really cooperate with git functionality.

5. Wrap up

Next meeting tuesday 28/3 09.00 Maskinhuset.
